

Nascentia Health Charitable Foundation

Dear supporter,

We are excited to announce that our 10th annual Raise a Glass fundraiser is Sunday, September 18, from 1-4 at the Lakeshore Yacht & Country Club in Cicero. More than 300 guests are expected for this popular event, which features dozens of raffle baskets, a silent auction with amazing prizes, wine tasting, games, food, and more.

Raise a Glass supports our nonprofit Nascentia Health Charitable Foundation, which provides direct support to improve the quality of life for our financially challenged patients and their families throughout Central New York, and also provides specialized education and training to our nurses and home health aides.

The Nascentia Health Charitable Foundation has assisted thousands of our patients. In 2021, we supported more than 250 patients, including infants, children, adults, the elderly, and their families. Our gifts of comfort, safety, and self-sufficiency change their lives in both small and large ways. The funds raised through this event not only support vulnerable members of our community, but also enable us to continue training our clinical staff to deliver the highest quality of care.

We hope that you will consider donating an item to our silent auction. Bids on the many items generously provided by local businesses are a major source of funds raised at this event. We appreciate donations of any item you are able to give, such as gift cards to your business, certificates for your services, physical items, experiences, and more. Our attendees are always excited to bid on items from local businesses and routinely bid higher than the item value!

Our 2021 event raised more than \$100,000!

To donate or for any questions, please contact us at foundation@477home.org or (315) 477-9547. Donations can be accepted any time before September 1.

We greatly appreciate your support and hope to see you there! Learn more at nascentiahealth.org/raiseaglass.

Sincerely,

Kate Rolf, President & CEO, Nascentia Health

Anita Lombardi, Board Chair, Nascentia Health Charitable Foundation
