

Nascentia Health Plus

is a Medicare Advantage Special Needs Plan designed just for you.

We know the challenges our members face and we're here to help.

Grocery prices are going up, and we want to help. Use our generous food and OTC benefits to help you stay healthy.

With money every month for utility bills such as heat, electric, and internet, you can continue paying for the services you count on.

Plus, we give you rewards just for going to your annual doctor visit, eye exam, and dental exam, and getting a flu shot.
