

Exhibit 2: Medicare Prescription Payment Plan Participation Request Form

Medicare Prescription Payment Plan participation request form			
<p>The Medicare Prescription Payment Plan is a voluntary payment option that works with your current drug coverage to help you manage your out-of-pocket Medicare Part D drug costs by spreading them across the calendar year (January-December). This payment option may help you manage your expenses, but it doesn't save you money or lower your drug costs.</p> <p>This payment option might not be the best choice for you if you get help paying for your prescription drug costs through programs like Extra Help from Medicare or a State Pharmaceutical Assistance Program (SPAP). Call your plan for more information.</p>
