Scope of Sales Appointment Confirmation Form

The Centers for Medicare and Medicaid Services requires agents to document the scope of a marketing appointment prior to any face-to-face sales meeting to ensure understanding of what will be discussed between the agent and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential and should be completed by each person with Medicare or his/her authorized representative. Please initial below beside the type of product you want the agent to discuss.

Initial	Medicare Advantage Prescription Drug Plan
	Medicare Special Needs Plan (HMO SNP)—A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

Medicare Advantage Plans (Part C) provide all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

I understand that my signature (or the signature of the person legally authorized to act on my behalf) on this Scope of Sales Appointment Form means that I have read and understand the contents of this form, I agree to meet with a sales agent and discuss the types of products initialed above, and understand that the person who will discuss the products is either employed or contracted by a Medicare plan and does not work directly for the federal government. Signing this form does NOT obligate me to enroll in a plan, affect my current enrollment, or enroll me in a Medicare Plan.

If signed by an authorized representative (as described above), this signature certifies that:

1. This person is authorized under state law to complete an enrollment, and
2. Documentation of this authority is available upon request by Medicare.

Authorization for Access to Patient Information Through Health Information Exchange Organizations

Patient Name	Date of Birth	Patient Identification Number
Other Names Used (e.g., Maiden Name):		

I request that health information regarding my care and treatment be accessed as set forth on this form. I can choose whether or not to allow the organization named above to obtain access to my medical records through the following participating health information exchange organizations: Rochester RHIO, HealtheConnections, and Hixny. If I give consent, my medical records from different places where I get health care can be accessed using a statewide computer network called the SHIN-NY. Rochester RHIO, HealtheConnections, and Hixny are not-for-profit organizations that share information about people's health electronically and meet the privacy and security standards of HIPAA and New York State Law. To learn more, visit these websites: www.RochesterRHIO.org http://healtheconnections.org www.hixny.org https://www.nyehealth.org/shin-ny/what-is-the-shin-ny/

The choice I make in this form will NOT affect my ability to get medical care. The choice I make in this form does NOT allow health insurers to have access to my information for the purpose of deciding whether to provide me with health insurance coverage or pay my bills. You can make that choice in a separate Consent Form that health insurers must use.

	My Consent Choice. ONE box is checked to the left of my choice. I can fill out this form now or in the future. I can also change my decision at any time by completing a new form.
☐	**I GIVE CONSENT** for the organization named above to access ALL of my electronic health information through the SHIN-NY to provide health care services (including emergency care).
☐	**I DENY CONSENT** for the organization named above to access my electronic health information through the SHIN-NY for any purpose, **even** in a medical emergency (except for minor patients). **Unless you check this box, New York State law allows medical providers treating you in an emergency to get access to your medical records, including records that are available through the SHIN-NY**.

If I want to deny consent for all Provider Organizations and Health Plans participating in the Statewide Health Information Network for New York (SHIN-NY) that access my electronic health information through one of the following HIEs, I may do so by contacting each of the HIE's individually:

6. **Penalties for Improper Access to or Use of Your Information.** There are penalties for inappropriate access to or use of your electronic health information. If at any time you suspect that someone who should not have seen or gotten access to information about you has done so, call the Provider Organization directly or visit the websites of Rochester RHIO, HealtheConnections, or Hixny; or call the NYS Department of Health at 518-474-4987; or follow the complaint process of the federal Office for Civil Rights at the following link: *http://www.hhs.gov/ocr/privacy/hipaa/complaints/*.

This is also true for health information about you that exists in paper form. Some state and federal laws provide special protections for some kinds of sensitive health information, including HIV/AIDS and drug and alcohol treatment. Alcohol/drug treatment-related information or confidential HIV-related information may only be accessed and may only be re-disclosed if accompanied by the required statements regarding prohibition of re-disclosure.

8. **Effective Period.** This Consent Form will remain in effect until the day you withdraw or change your consent choice or until such time as Rochester RHIO, HealtheConnections, or Hixny cease operations (or until 50 years after your death whichever occurs first). If Rochester RHIO, HealtheConnections, or Hixny merge with another Qualified Entity your consent choices will remain effective with the newly merged entity.

9. **Changing Your Consent Choice.** You can change your consent choice at any time and for any Provider Organization or Health Plan by submitting a new Consent Form with your new choice. Organizations that access your health information through the SHIN-NY while your consent is in effect may copy or include your information in their own medical records. Even if you later decide to change your consent decision they are not required to return your information or remove it from their records.

10. **Copy of Form.** You are entitled to get a copy of this Consent Form.
